Sisters,  
Brothers,

Delegates of the Expertech Bargaining Caucus met in Ottawa on June 4 and 5.

They adopted the Bargaining Program and the list of demands, as well as the priorities for the next round of bargaining.

Negotiations should begin after the hearings to deal with the single employer application filed with the Canadian Industrial Relations Board (CIRB).

Unifor and your Bargaining Committee will keep you updated on any new developments in collaboration with the local unions' mobilization committees.
