

Bell Technical Solutions Bargaining Update #2

March 4, 2022

Sisters and Brothers,

Negotiations with the Company have progressed well the past three weeks via Zoom, however there is still work to be done. Your Committee has been working diligently and will continue to do so until we have addressed all of the non-monetary issues and/or demands.

Moving forward, with the easing of government and health restrictions, our hope is to meet in person with the Company when we begin the monetary portion of negotiations.

We appreciate your patience and support as we continue to work through the bargaining process.

In solidarity,

Your Unifor Ontario BTS Bargaining Committee
