

Bell Technical Solutions Bargaining Update #3

March 17, 2022

Sisters and Brothers,

Please be advised that negotiations with the Company have continued the past two weeks via Zoom. We are happy to report the Union and the Company have finished exchanging proposals and completed negotiations of the non-monetary demands.

Moving forward, with the easing of government and health restrictions, the Company has agreed to meet in person to conduct the monetary portion of negotiations. As such, we have met with the BTS Bargaining Committee from Quebec, and have aligned to begin joint monetary discussions with the Company beginning Monday, March 28th, 2022 in Montreal, Quebec.

We appreciate your patience and continued support as we continue to work through the bargaining process.

UNITED WE STAND, DIVIDED WE FALL!

In solidarity,

Ontario BTS Bargaining Committee:

Colum Lynn, Local 1996-O

Kevin Paddon, Local 31

Mike Snell, Local 30-O
