Re: **2023 Bargaining Proposals**

---

Sisters and Brothers:

Please find attached the 2023 Bargaining Proposal Form that need to be distributed to all of your members in the Transervice bargaining unit, please distribute asap.

We are asking that the completed proposal forms be returned by the members to the Local no later than April 19, 2023. Send all completed proposal forms to myself. My contact info below.

Once all the proposals forms have been returned, your bargaining committee will put together a complete list of all proposals so they can be discussed and debated at the caucus meeting.

We are looking to schedule that meeting in September. Date and location TBD.
